# WELCOME

**Welcome to the High Country. You're standing in my backyard and I couldn't be more stoked to have you here!**

Growing up just a stone's throw from Mount Beauty, I was spoilt for choice when it came to cycling, from incredible mountain biking to great road riding. Spending all my spare time riding bikes with my four brothers, we had endless options for epic adventure, racing each other on new trails and having the time of our lives.

I've travelled the world riding and racing my bike, from Europe to Asia to the Americas, but there is something special about the High Country – something that you can only feel and experience right here.

Not only do we have some of the best riding, but we have stunning scenery, a bevy of local producers of beer, wine and cider plus the regional produce and food here are top notch.

Really, is there anything better than spending the day riding bikes: road, mountain, gravel or the rail trail and then rolling straight to the local brewery!? There it's completely acceptable to lean your bike against the fence, grab a beer and enjoy great food. And keep an eye out for Ride High Country Preferred businesses, they're ready to cater to your every wish.

Do me a favour. Grab your bike, explore, get out of your comfort zone and see everything that cycling in the High Country has to offer... maybe I'll see you out there!

**Paul van der Ploeg**  
Mountain Bike World Champion

# GETTING HERE

## CAR

**From Melbourne** • Travelling north, take the Hume Freeway and in only two hours you will be in Benalla.

A little further on is the Wangaratta exit and the exit for the Great Alpine Road. For Mansfield and Mt Buller take the Maroondah Highway from Melbourne.

**From Canberra** • Travelling south, take the Hume Freeway to Albury/Wodonga and in four hours you will arrive at the northern tip of the High Country. Take the Wodonga exit for Beechworth and Tallangatta, or exit at the Great Alpine Road for Bright, at Wangaratta for Milawa, at Chiltern for Rutherglen or Beechworth and exit at Benalla for Mansfield.

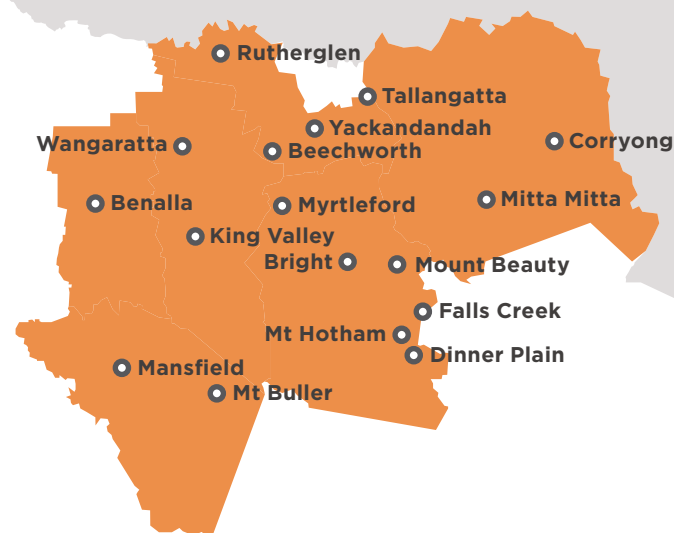

## TRAIN

The V-Line Seymour Line train departs Melbourne's Southern Cross Station stopping at the High Country stations of Benalla, Wangaratta, Springhurst, Chiltern and then on to Wodonga and Albury. Southbound, the Country Link train departs Sydney for Albury. The XPT Melbourne to Sydney Line runs daily, stopping at key High Country stations.

## PLANE

From Melbourne Airport, it is just two hours drive north to Benalla. And to the north, Albury Regional Airport is only 45 minutes to Tallangatta or Beechworth and is serviced by Qantas Link, Virgin Blue and Regional Express. Secure parking and car hire facilities are available.

Melbourne

# ROAD RIDING

**Victoria's High Country is Australia's favourite road cycling destination. With terrain options to suit every level of cyclist and exhilarating views, visitors from the world over return time and time again.**

With six of the toughest 15 road climbs in the country, the mountains of Victoria's North East are unparalleled. Mount Buffalo is arguably one of the most favoured climbs by cyclists, locals and visitors alike. The 20km climb keeps a steady gradient of 5%, winding its way up the mountain showcasing picturesque vistas throughout. Perhaps you're looking to really challenge your legs and lungs with one of the toughest climbs in the country, Harrietville to Hotham? At 30km in length and with steep gradients, false flats and two short descents, Mt Hotham is a true challenge for all, finishing in a truly unique location on top of the mountain.

If you're looking for kudos, the 7 Peaks is the ultimate personal test. This 'at your own pace' cycling challenge runs from October to April and encompasses seven of Australia's most incredible climbs: Mount Buffalo, Hotham, Dinner Plain, Falls Creek, Lake Mountain, Mt Buller and Baw Baw. Conquer your first mountain climb or commit to all seven. Simply visit [7peaks.com.au](http://7peaks.com.au) and get ready for the adventure of a lifetime.

Not keen to tackle the mountains but still looking to test your mettle? The popular Gaps Loop takes in some beautiful rolling countryside and shorter climbs. Starting in Bright, head down the Ovens Valley on the Murray to Mountains Rail Trail to Ovens (Myrtleford), through Rosewhite to the Kiewa Valley. But save a little in the tank for one final push over Tawonga Gap, before rolling back to Bright.

Or why not consider exploring some of the lesser known cycling routes in the High Country, where you will find quiet country roads and scenery that is nothing short of stunning? The King of the Hill ride in Rutherglen, at almost 100kms and covering some good climbing, is a challenge – but if you haven't had enough take the 3km detour right to the top of Mt Pilot for immense views. Or perhaps you're after something more gentle? The Towong Loop in the Upper Murray takes you around the base of Mt Mitta Mitta on beautiful rolling country roads where traffic is the least of your concerns.

**We promise there is something for every road cyclist in Victoria's High Country!**

## ROAD highlights

### — PEAKS CHALLENGE FALLS CREEK —

Ranked as one of the top 10 Gran Fondos in the world by the Global Cycling Network (GCN), and the only one to feature on this list in the Southern Hemisphere. Tackle the 235km loop with over 4000m of elevation which includes three major climbs: Tawonga Gap, Hotham and the feared back side of Falls Creek. The combination of demanding terrain and picturesque views makes this an incredible ride in every sense.

— RACE HIGH COUNTRY — Victoria's North East is home to some of Australia's best racing, on the domestic and international levels. Visit the High Country to race The Tour of Bright, The Tour of King Valley, The Tour of Mansfield or watch the top level pros go head to head in stages of the Jayco Herald Sun Tour. Come and ride the same roads that Australia's elite cyclists train on, or the same route as the pros... and see how your times compare.

— ROLLING VALLEY ROADS — The High Country is not only known for its iconic mountain climbs, but also the stunning valley roads that connect its towns and villages. Expect undulating country roads surrounded by rolling green fields and don't be surprised to see beautiful views even while low in the valley. The Kiewa Valley, Happy Valley, King Valley, Goulburn Valley, Mitta Valley and the Great River Road Touring Route are just a few of the must-ride locations in the High Country.

# MOUNTAIN BIKING

**Victoria's North East is a mountain biker's paradise. Featuring seven purpose-built mountain bike parks, back-country mountain biking, plenty of facilities and a community of locals and trail builders who keep dishing up new trails on a regular basis.**

The diversity of the trail networks, combined with the variety of terrain, makes the High Country a truly special destination for mountain biking. Having played host to the Australian MTB National Championships for Cross Country and Downhill on a number of occasions, it highlights the quality of trails the region has to offer.

Beginner mountain biker to elite athlete, cross country through to downhill, and everything in between: everyone will find exactly what they are looking for right here in the High Country and perhaps something they never expected.

Expect buff and fast flow trails in Bright and Falls Creek, raw and natural trails in Mount Beauty and Yackandandah, crunchy singletrack in Beechworth, alpine scenes in Dinner Plain and plenty of climbing on Mt Buller.

The High Country's mountain bike parks are constantly evolving, with new trails being built every day! Be sure to visit the local bike shop for some insider knowledge and consult park signage for the latest updates and info on how to access that brand new trail you've been dreaming of.

**Happy exploring!**

## MOUNTAIN BIKE park guide

— **BEECHWORTH** — Beechworth is a slightly under-the-radar MTB park that is dishing up some excellent cross country singletrack. Using the landscape to create challenging yet fast trails, expect huge granite boulders, crunchy surfaces that are ideal for drifting and some perfect jumps too. A handful of downhill and gravity focused runs truly put this park on the map.

— **BRIGHT (MYSTIC)** — Serves up singletrack and fire road climbs for days which lead to views over the entire valley. Get ready for Australia's best fast flowy descents or choose a technical gravity trail to test your skills. The riverside trails are perfect for those looking for an easier ride.

— **DINNER PLAIN** — The perfect MTB destination when temperatures start to rise. Situated in the trees above 1500m, its high altitude makes this place a cool change from the parks located in the valleys. Featuring flowy natural trails, plenty of climbing, sweet descending, a pump track in the car park and even some downhill shredding.

— **FALLS CREEK** — Falls Creek has some of Australia's most talked-about trails, featuring manicured flow trails, gnarly downhills and plenty of cross country singletrack. There's a heap of elevation change to enjoy, accessed via pedal power to earn your descent or you can take advantage of the shuttle services on offer, to bag as many runs as possible.

— **MOUNT BEAUTY (BIG HILL)** — One of the original mountain bike destinations in Australia and still a favourite for its old school cool trails. The cross country riding here is raw and natural, the variety of easy to technical trails make this perfect for any level of rider. Newly minted gravity trails along with shuttle services mean this MTB park is a must-visit.

— **MT BULLER** — Home to Australia's only internationally acclaimed Epic Trail, 40kms of perfection, makes this a world-class mountain bike destination. Expect everything from sweet flow to gnarly climbs and all the singletrack your heart could desire!

— **YACKANDANDAH** — The High Country's newest MTB park. Keeping true to the town's sustainable roots, the trail network uses the contours of the landscape including the old gold mining routes to create twisty and smooth singletrack that weaves its way through the bushland. A cross country mountain biking paradise!

# RAIL TRAIL

**Victoria's North East is home to the largest rail trail network in the Southern Hemisphere. The extensive network covers close to 300kms of easy-to-ride, cycle specific paths with three signature rail trails, plus a couple of great offshoots to explore.**

The longest continuous rail trail in Victoria at 134kms is the Great Victorian Rail Trail. From Tallarook through Yea to Mansfield, ride through the Cheviot Tunnel, explore the Trawool Valley and enjoy the stunning scenery on offer.

Close the the NSW border hugging the shoreline of Lake Hume is the High Country Rail Trail. The main section of this trail runs for almost 85kms from Wodonga to Shelley Station, crossing the spectacular Sandy Creek Bridge. Shelley Station is Victoria's highest historic railway station (so you know you are in for a climb!) whilst the Dry Forest Creek Trestle Bridge in Bullioh has recently been reopened following 8,000 hours of volunteer based renovations.

The Murray to Mountains Rail Trail is Australia's longest sealed rail trail and the High Country's most popular. Winding through the stunning Ovens Valley from Wangaratta to Bright, it also has a number of alternate routes including offshoots to Beechworth, Wandiligong and around Rutherglen. The 'M2M', as locals call it, passes right by cafes, cellar doors, breweries and local produce farm gates.

Experience the High Country's historic towns, gourmet food and wine, spectacular scenery and local events all by bike. Farmers' markets, festivals and cycling events mean you will never be short of things to see and do when you Ride High Country. Check our online events calendar to plan your next High Country experience.

## RAIL TRAIL highlights

— **SHORT AND SWEET** — The options are endless when it comes to exploring rail trails from your accommodation's door. Choose a family friendly route that the kids will love like the 15km round trip between Bright and Porepunkah, grabbing a milkshake at the Rail Trail Cafe. Perhaps a romantic afternoon is more your style; the 10km return trip from Milawa to Sam Miranda is a lovers' delight. The trail passes gourmet cafes, the famous Milawa Cheese Company and delivers you right at the Sam Miranda Cellar Door.

— **WEEKEND AWAY** — The Great Victorian Rail Trail is the longest continuous rail trail in Victoria at 134kms. It meanders along the Goulburn Valley, through the lush Trawool Valley and crosses Lake Eildon. Starting in Mansfield, pack your panniers and hit the rail trail for a weekend adventure, staying in accommodation en route. Enjoy local produce from farm gates, including cheese, honey, wine and craft beer.

— **PEDAL TO PRODUCE** — There are three Pedal to Produce routes to choose from in Milawa, Rutherglen and from Bright to Wandiligong. Follow your chosen produce trail past lush streams, stunning valleys and through picturesque historic towns. Ride your way right up to farm gates, cellar doors and breweries to fill your basket with fresh local delights, purchased straight from the producers. Grab a copy of your favourite Pedal to Produce route from your accommodation or online, and head out on your bike to experience the very best the High Country has to offer.

[pedaltoproduce.com.au](http://pedaltoproduce.com.au)

# GRAVEL GRINDING

**Victoria's High Country is a must-visit destination for cyclists who are searching for adventure on the roads less travelled. Stunning gravel roads meander through thickly forested valleys, tilt skywards over epic mountain passes and undulate across ridgelines.**

Gravel riding in the High Country really is 'choose your own adventure'. With an almost infinite number of gravel roads, there is something for everyone. Plan a loop, from a couple of hours to a full day, starting in the heart of your favourite town. You'll never be too far from civilisation but you'll be transported on a journey a million miles away.

If a multi-day bikepacking adventure is more your style, you won't be disappointed with what's on offer. Seemingly endless gravel roads covering serious elevation will challenge even the toughest of riders, whilst there is an abundance of undulating fire roads and flat country lanes also on offer. Plan a route that takes you from town to town, where you can stay in the myriad of Ride High Country Preferred accommodation options or pack your supplies and head off grid.

There are also some excellent gravel events to put in your calendar, including the Tour de Beechworth. Grab your friends and saddle up for a weekend of fun and adventure in the mid-winter. Cold air, picturesque views and quiet roads, finishing at the Bridge Road Brewers... you'll be talking about it for months to come.

## GRAVEL highlights

— **THE BLACK RANGE** — Local gravel guides, The Gravel Mob, have the crossing of the Black Range on their bucket list. Located between Mount Buffalo and the King Valley, it is best completed out and back over two days. Depending on your chosen route, it combines around 120km of logging roads, fire trails and access tracks through lush farmland, native forests and dramatic vineyards. Mostly flat besides a few steep pinches, the feed waiting for you at the Whitfield Pub is a worthy reward for your efforts.

— **TOUR DE BEECHWORTH** — This fun-filled gravel event, hosted by Bridge Road Brewers of Beechworth, is the perfect excuse to enjoy the crisp air of mid-winter. The main route takes in 80kms and over 1500m of elevation. Starting from the town of Beechworth you'll make your way through the rolling hills of Chiltern National Park, the smooth surfaced gravel roads and stunning backdrop will have you wanting more. The solid climb to the summit is worth the views and refreshments at the top, before a downhill finish back to Bridge Road Brewers. Bring your friends or make some new ones on the day, this is one for the books.

— **BOGGY CREEK FISH MURAL** — Smooth and flat gravel trails are just a quick jaunt from the center of Benalla. The Benalla-Mokoan Discovery Trail is a bike path that leads from Benalla to the Winton Wetlands; where you can take in the flora and fauna as you ride around this natural sanctuary. Grab a coffee from the cafe before continuing your ride to the Boggy Creek mural – this line of trees painted with fish is quite the sight! This is a fun and easy ride, perfect for a sunny afternoon.

— **THE WOOLSHED VALLEY** — You can sense the history in this valley as you track the paths of the gold rush pioneers and mongrel bushrangers along Reedy Creek, between Beechworth and Eldorado. A mostly excellent gravel road surface winds past old hideouts, a spectacular waterfall and craggy granite tors. Many of the side-tracks are worth exploring too.

## MOUNTAIN BIKE grading system

It's important that you understand the five ride categories to find a trail suitable to your ability for maximum enjoyment. For detailed information on ride difficulty and types go to [ridehighcountry.com.au](http://ridehighcountry.com.au)

TRAIL RATING	LEVEL OF DIFFICULTY	DESCRIPTION
	<b>VERY EASY</b> Mountain Biking	Beginner/novice cyclists. Basic bike skills required. Suitable for most bikes. Likely to be a fire road or wide singletrack with a gentle gradient, smooth surface and free of obstacles.
	<b>EASY</b> Mountain Biking	Likely to be a combination of fire road or wide singletrack with a gentle gradient, smooth surface and relatively free of unavoidable obstacles. Beginner/novice mountain bikers. Basic mountain bike skills required. Suitable for off-road bikes.
	<b>INTERMEDIATE</b> Mountain Biking	Likely to be a singletrack with moderate gradients, variable surface and obstacles. Skilled mountain bikers. Suitable for mountain bikes.
	<b>DIFFICULT</b> Mountain Biking	Likely to be a challenging singletrack with steep gradients, variable surface and many obstacles. Experienced mountain bikers with good skills. Suitable for better quality mountain bikes.
	<b>VERY DIFFICULT</b> Mountain Biking	Very difficult trails will incorporate very steep gradients, highly variable surface and unavoidable, severe obstacles. Highly experienced mountain bikers with excellent skills. Suitable for quality mountain bikes.

## CYCLE TOUR companies

Are you planning your first cycling adventure in the High Country? Looking for a new challenge? How about a new group of friends to share your Ride High Country experience with?

With extensive knowledge of our region, the High Country has a number of tour operators offering a range of tour options from MTB shuttle facilities to multi-day gourmet cycling tours and itineraries designed to help you conquer the 7 Peaks.

A man with a white beard and glasses, wearing a black cycling cap and a black Brooks cycling jersey with 'L'orocco' and 'BROOKS ENGLAND' written on it, is riding a bicycle. He is wearing red gloves and black shoes. The background is a historic building with yellow stone walls and arched windows. A blue sign on the wall reads 'Beechworth Gold'.

## BEECHWORTH AND SURROUNDS

This beautiful village at the top of a granite plateau surrounded by forests and rolling farmland is fast becoming one of the High Country's favourite cycling destinations. There are rides to suit anyone on two wheels, accommodation from budget to five star, award-winning restaurants, two sensational craft breweries and history to soak up and explore.

Beechworth was built on the prosperity brought by gold in the 1850s and the streetscapes are largely unchanged since then, with wide tree-lined avenues, shady verandahs and quaint stores these days filled with cafes serving excellent coffee and great food alongside many funky boutique shops.

Explore the Historic Precinct with its National Trust-listed buildings including the courthouse where Ned Kelly was committed to stand trial for murder. Take a Rogues, Ratbags and Mongrel Dogs tour of the nearby Old Beechworth Gaol where Ned, his mum, brother and uncle all did time. Then finish with a tipple at the newly renovated historic Billson's Brewery on Last Street or back to Ford Street for a Bridge Road Brewers ale at the old Coach House.

Detailed maps at [ridehighcountry.com.au](http://ridehighcountry.com.au)

## HIGHLIGHTS

— **Gravel For Days** — Smooth gravel roads, undulating countryside and climbs to challenge every level of rider. Beechworth and the surrounding towns are interlaced with some of the best gravel roads you will find in the High Country. Pack some supplies and head out for an all-day epic, challenge yourself by tackling the climb to Stanley or simply wind your way through the countryside where you are never far away from the township.

— **Golden Rail Trail** — Recreational cyclists will love the extension of the Murray to Mountains Rail Trail, linking the existing trail in Beechworth to Yackandandah, to be completed in 2020. The 31kms of family friendly rail trail will wind through bushland, past local farm produce gates and historical sites. Collect some supplies on your way out of town and get ready to enjoy the undulating terrain and serenity all around.

— **Epic MTB** — The Beechworth MTB Park has cemented its position as one of the High Country's favourite riding destinations. Escape to a singletrack paradise, in a natural bushland setting that offers granite features and a surface that impossibly gets even better with rain! And soon, Beechworth will be home to the High Country's second Epic Trail. Take a couple of days to explore... expect fast twisting trails whichever direction your bike takes you.

## ArtScape Cottage Beechworth

After your day riding, lock your bikes in our shed and relax! Enjoy our complimentary bubbles and treats – soak in the double spa bath – play the piano, guitars or banjo – create your art! Comfy queen bed awaits. The next morning, enjoy our specialty breakfast on the sunny verandah, with many native birds for company. Be prepared to stay longer at ArtScape!

Cottage 3 at 24 Malakoff Road, BEECHWORTH

## Bridge Road Brewers

Established in 2005 in the iconic Australian town of Beechworth, comes this equally iconic brewery. Born (in the family shed) from a passion for beer, for more than a decade, The Bridge Road Brewers name has been synonymous with beer of the highest quality. Their brewpub and its famous pizzeria are the perfect places to rehydrate and refuel after a day on the bike.

# BRIDGE ROAD BREWERS

## BREWERY + PIZZERIA

LUNCH + DINNER 7 DAYS  
PIZZAS - ALL DAY 11.30 - 8.30PM

WE ARE PROUD TO BE

OLD COACH HOUSE, FORD STREET, BEECHWORTH | 03 5728 2703

A group of cyclists are riding through a vineyard in Benalla. The cyclists are wearing various colored jerseys and helmets, and are riding on a path that runs alongside the vineyard rows. The vineyard is lush with green leaves, and the background shows a rolling landscape with more trees and fields under a clear sky. The text 'BENALLA AND SURROUNDS' is overlaid on the top right of the image in a white, bold, sans-serif font.

## BENALLA AND SURROUNDS

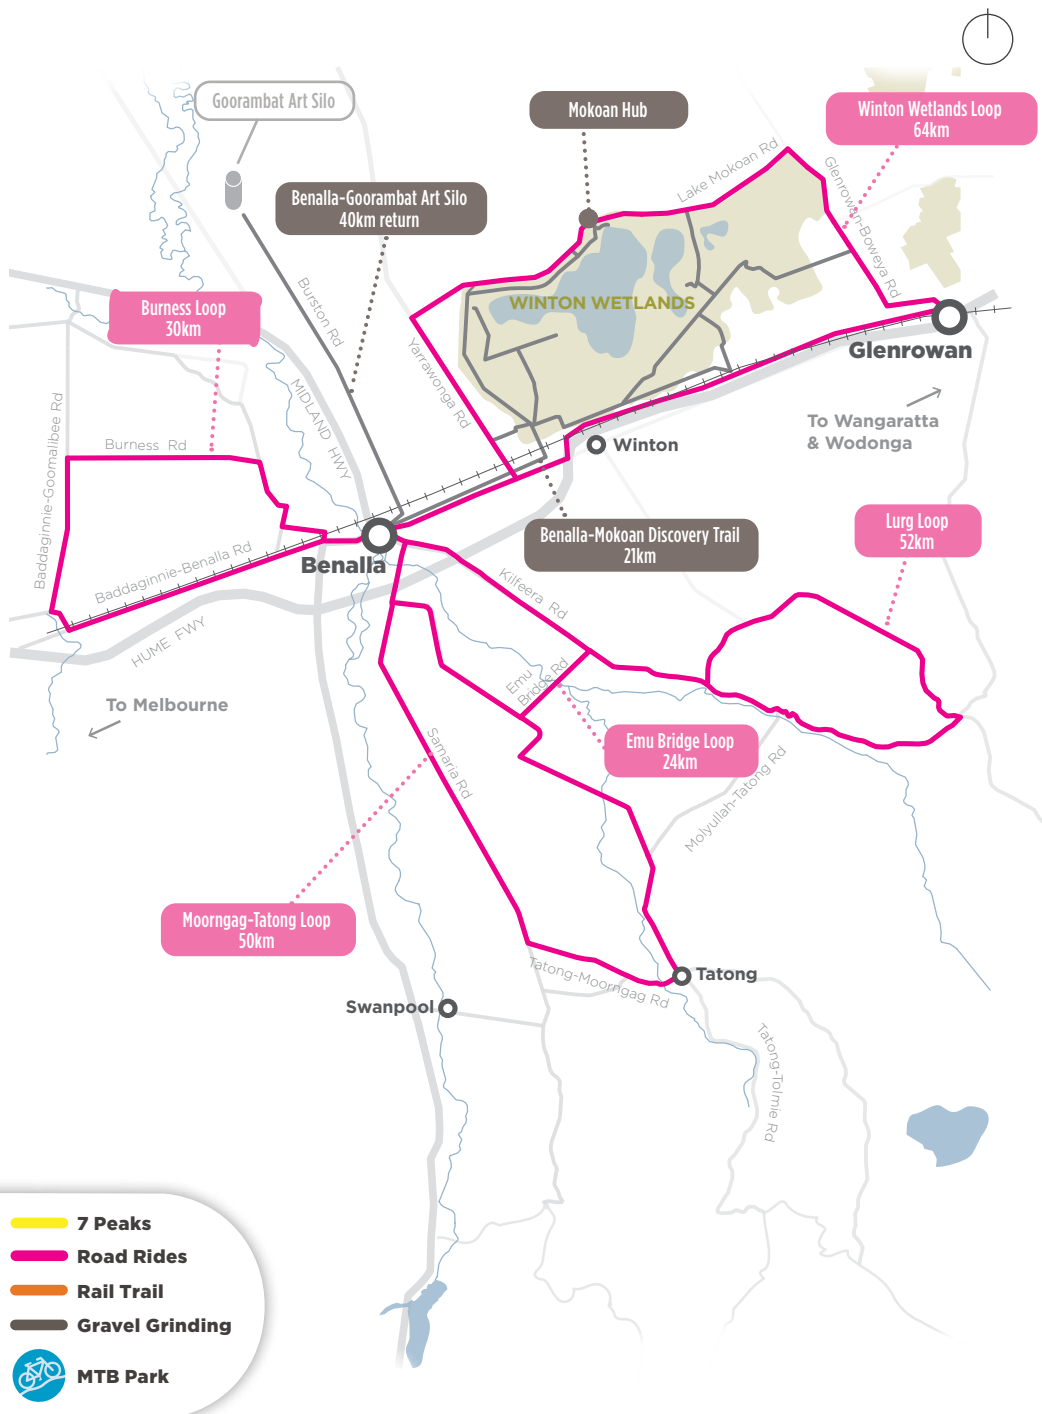

For several years now, scores of some of the world's most talented street artists have beelined for Benalla to create dozens of stunning large-scale artworks. Adorning walls, buildings and silos in and around the town as part of the annual Wall to Wall festival.

Take a self-guided tour around the town to view this sensational outdoor gallery, or pick up a map of the Silo Art Trail from the Visitor Information Centre and explore the out of town series of monumental canvases by bike.

Not all of the art here is outdoors. The Benalla Art Gallery is one of regional Australia's best, with an excellent permanent collection of Australian works spanning 19th Century colonial to 21st Century contemporary.

Just out of town, the Winton Wetlands are great for an easy gravel ride to appreciate an important haven for more than 180 species of birds. Head to the Mokoan Hub Cafe for breakfast, lunch or a late afternoon taste of one of the local wine region's best drops.

## HIGHLIGHTS

— **Wall To Wall Art** — The thriving art scene in Benalla is a must see, and even better when you can do it by bike! Boasting over 50 murals in the township, it is one of the most densely populated outdoor street art galleries in Australia. A bike, a map and an hour is all you need to take a self guided tour of the Wall to Wall art. Why not include a stop at the Botanical Gardens for a picnic lunch to make a day of it?

— **Winton Wetlands Loop** — This road route is a local's favourite and takes in almost 65kms of lightly undulating roads. Heading out from Benalla, you take a scenic loop around the Winton Wetlands, following the old shoreline, before turning right and heading back into town. Either take it slow and enjoy the views or see how fast you can complete the loop.

— **Goorambat Art Silo** — Looking for an easy morning ride? Why not head out on a 40km round trip to the Goorambat Art Silo. The mostly flat route will take you past these enormous masterpieces that showcase endangered birds of prey, Clydesdale horses and depictions of the rural landscape. Finish the ride with a coffee from Benalla Art Gallery and sit on the banks overlooking the beautiful Lake Benalla.

**Mokoan Hub & Cafe**

The Mokoan Hub & Cafe is the perfect place to begin your exploration of the Winton Wetlands. Not only can you get delicious food and drinks, you can also source information about the site and the renewal project, and overlook the vast and picturesque Winton Wetlands.

652 Lake Mokoan Road, CHESNEY VALE

**Visit Benalla Tours**

Visit Benalla Tours: passionate locals helping you get the most out of Victoria's High Country experience. Bike hire, transfers, information on places to see and stay. You can contact us seven days a week or say 'hello' Saturday, Sunday, Monday and Tuesday 10am-4pm. Enjoy coffee, tea, homemade cakes, scones and slices at the Bootmaker's Shop, Benalla.

64A Arundel Street, BENALLA  
0447 343 439 • [tourism@visitbenalla.com.au](mailto:tourism@visitbenalla.com.au)  
[visitbenalla.com.au](http://visitbenalla.com.au)

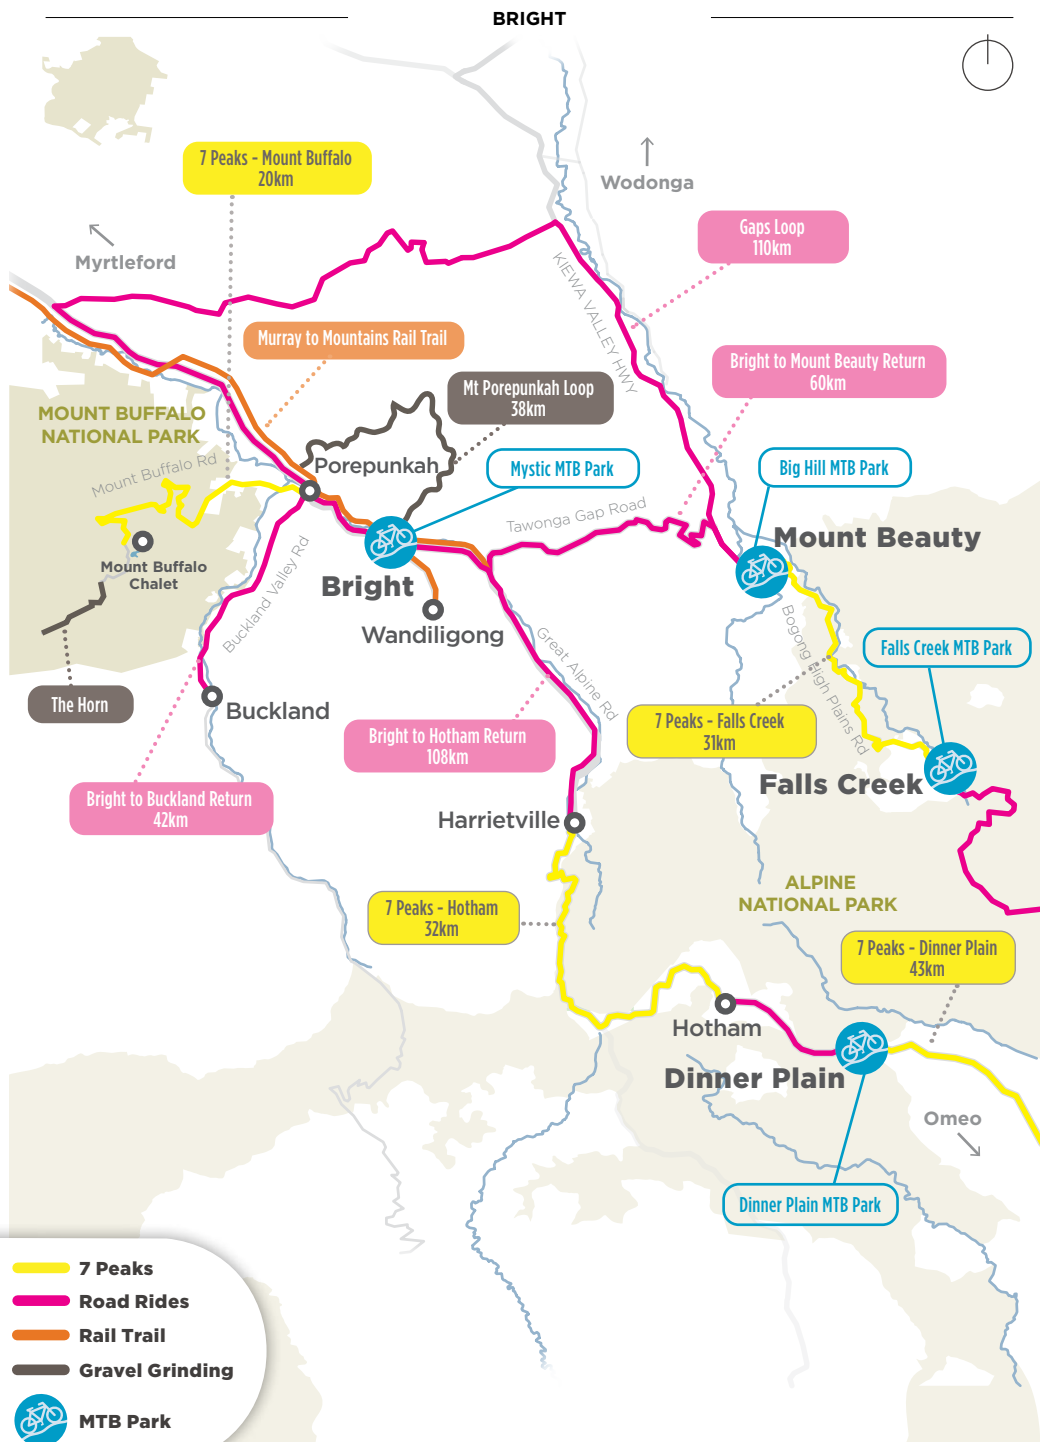

## **BRIGHT AND SURROUNDS**

If the High Country is Australia's premier cycling region, Bright is its beating heart.

This town lives and breathes cycling of all kinds, and a host of local businesses are there to offer riders tailored accommodation options, outstanding food, wine, craft beer and spirits as well as truly stunning natural surroundings to explore. Off the bike, adventurous souls can try paragliding, abseiling, caving, hiking or kayaking the lovely Ovens River that flows through the town.

For standout beans in a cup, head to 15 Wills St, a coffee place by day and gin palace by night in the hands of the genius chefs/distillers from Reed & Co. A burger, or anything else at Tomahawks, will always hit the mark and for fancier nosh, head to Elm Dining. At the end of every ride, there's always beer - and few do it better than Bright Brewery, owned by Scott Brandon, a mountain biker who knows how to make cyclists welcome.

Detailed maps at [ridehighcountry.com.au](http://ridehighcountry.com.au)

## HIGHLIGHTS

— **An Apple A Day** — Pedal to Produce is the perfect way to explore a little further afield with the family. Saddle up on a hire bike or e-bike (from Cyclepath or Bright Electric Bikes) and head down the beautiful tree lined bike path to Wandiligong. Streams, valleys, orchards and galleries are all within an 8km pedal from the heart of Bright (and longer if you'd like). Ride to Nightingale Bros Alpine Produce Store and enjoy an apple cider or ice cream in the sunshine before an easy pedal back to Bright.

— **The New Kid On The Block** — Move over Hero Trail, there is a new kid on the block. Come and experience the newly built trail in the Mystic Mountain MTB park. Shred Kelly's Last Stand is super fast, flowy and truly shred-worthy. Scrub the jumps, rail the berms and let gravity take you from top to bottom at high speed!

— **Mount Buffalo & The Horn** — Looking to complete one of your 7 Peaks Rides, but also want to tackle some epic gravel? Then head to Mount Buffalo. The Mount Buffalo Chalet climb has an average gradient of 5% and is relatively steady for the entire 7 Peaks route. Instead of descending, continue climbing... the road undulates for another 7kms before you hit gravel for the final 4km climb, the The Horn - where the views are nothing short of spectacular.

**BIG SKY**  
— RETREATS —

Presenting beautiful homes in idyllic locations that are equally as stunning inside as they are out. Homes that are an experience in themselves with multiple spaces to relax, separate areas where families and friends can come together as a group and premium furnishings and style pieces.

Each of our homes are Cycle Friendly with an extensive range of products and facilities for all types of cyclists.

A high-altitude sleeping experience can now be enjoyed by our guests at Big Sky - Altitude 1, Australia's first residential property with simulated altitude sleep technology from Box Altitude.

[bigskyretreats.com.au](http://bigskyretreats.com.au) | 0418 813 971 | [reservations@3741boutique.com.au](mailto:reservations@3741boutique.com.au)

A full-page photograph of a cyclist in a purple jersey riding away on a road through a forest. The sun is high in the trees, creating a dramatic 'sunbeam' effect with rays of light filtering through the branches. The road is paved and has a yellow line. The cyclist's shadow is cast on the road.

## DINNER PLAIN AND HOTHAM

An architectural masterpiece of sustainably built houses that blend in with the surrounding snowgum forests, Dinner Plain is not just a lovely snow-covered winter getaway. From spring through autumn, the landscape lights up with stunning displays of wildflowers.

There are many walking and cycling trails to explore with panoramic vistas to soak up, waterfalls and history to explore and fresh, crisp air to breathe. There are great places to eat, drink and stay year-round and even the highest altitude craft brewery in Australia, Blizzard Brewery.

Mt Hotham is also great for days on and off the bike. The trails are long and made for hiking or running and the scenery is always breathtaking. The Hotham road climb is notoriously the most challenging of Victoria's 7 Peaks and one for the personal bucket list!

## HIGHLIGHTS

— **Pump It Up** — A modular pump track has been installed smack bang in the middle of Dinner Plain Alpine Village. Test your skills, warm up before hitting the trails or simply have some fun with the kids.

— **Tackle Two Peaks** — Get a head start on your 7 Peaks Challenge by tackling two of the climbs. Harrietville to Hotham is the toughest in length and gradient at 30kms with some steep sections towards the top. Meanwhile, on the other side of the range, Omeo to Dinner Plain is a longer climb at almost 43kms. The gradient is relatively steady and even features some descending.

— **MTB Trails For All** — MTB trails surround the village of Dinner Plain, with easy loops for beginners and kids, or you can test your legs on the Barabrawlung Trail up to Hotham. The natural style MTB trails will wind you through grassy fields, alpine forests and along the ridgeline to some of the most stunning views. Rehydrate at Blizzard Brewery with a high altitude alpine beverage, where bikes are always welcome.

**Blizzard Brewing Company**

Welcome to Australia's highest brewery, situated at an altitude of 1550 metres just off the Great Alpine Road in Dinner Plain. We brew with the purest water in Australia: pure spring water fed by snow melt and sourced from High Country aquifers. Come enjoy a tour and the taste of fresh liquid powder in an alpine setting where we craft Beer Above All.

**5 Cattle Pen Drive, DINNER PLAIN**  
**0417 335 548 • info@blizzardbrewing.com**  
**blizzardbrewing.com**

**Dinner Plain Alpine Village**

Ride and walk Dinner Plain, escape the heat, trails start from your door, explore waterfalls, restaurants, cafes and the local brewery. Hit the 20km of new MTB singletrack, cruise the scenic alpine trails or take on the epic road climbs. Stay in a beautiful mountain home nestled amongst the snow gums.

**Great Alpine Road, DINNER PLAIN**

## FALLS CREEK

This gorgeous alpine village is the total package for cyclists chasing epic road climbs, altitude training, incredible views, killer events and some of the best singletrack flow experiences anywhere on the planet.

The village is super cycle friendly with gravity shuttles, tours and skills lessons plus a range of welcoming places to stay to suit any budget. It also has a number of on-site rental outlets offering gear, specialised bikes, bike tech - all you need for a fully equipped ride, not to mention year-round great coffee and food.

Accommodation comes in all shapes and sizes, from family friendly lodges all the way to pure luxe options.

Between rides, sign on for a Tales, Trails & Tucker experience, including an easy hike to a cattlemens' hut with a local historian and a delicious picnic lunch. Rocky Valley Lake is an amazing place for a dip or a kayak during high summer, and to round off the day, head to the summit with a cold beer or a glass of bubbles to take in one of the best sunsets you'll ever see.

Detailed maps at [ridehighcountry.com.au](http://ridehighcountry.com.au)

## FALLS CREEK

### HIGHLIGHTS

— **Backcountry Adventure** — Get off the beaten track and head out into the backcountry. Exploring with a mountain bike you will find plenty of trails and fire roads around the hills of Falls Creek. These are not for the faint hearted with lots of climbing and rugged terrain, but you will be treated to mountain air, stunning views and memories you'll never forget.

— **Feel The Flow** — 10kms of unbroken gravity trail awaits you on Flowtown! With the option of shuttles back to the top... need we say more? Well, one more hot tip: if you like climbing as much as you like descending, ditch the shuttle and ride back to the top via Packhorse trail. This 6km one-way singletrack trail is an excellent climb and more often than not you'll have it entirely to yourself!

— **Peak Fitness** — Test your legs and tick off one of the 7 Peaks road climbs. The climb from Mount Beauty to Falls Creek would have to be one of the most beautiful. This 30km climb winds its way through lush rainforest before the gradient gets a little steeper and the landscape opens up. If you are looking for a big day out, challenge yourself at the best Gran Fondo in Australia and conquer all 235km of the Peaks Challenge Falls Creek.

## Frueauf Village is a luxury oasis in the heart of the Australian Alps

### Looking for a stress free alternative to a crowded beach holiday?

Summer and Autumn at Falls Creek offers fresh mountain air and tracks to explore on one of our hire bikes, or your own.

Stay in one of our 25 apartments ranging in size from studios, 1, 2, 3 and 4 bedrooms, through to 5 or 6 bedroom chalets. Most apartments have their own private outdoor hot tubs and some even saunas.

Activities include altitude training, bush walking, bike riding, fly fishing, horse riding and other outdoor pursuits.

**FRUEAUF VILLAGE**

Catering partner for Blue Dirt's Village Bike Café

6 Falls Creek Road, Falls Creek / 03 57583214 / [bookings@dianalodge.com](mailto:bookings@dianalodge.com) / [dianalodge.com](http://dianalodge.com)

A scenic landscape featuring a wide dirt path that curves through a lush green field. On the left, a large, mature tree with dense foliage stands prominently. In the distance, a person is riding a bicycle along the path. The sky is a soft, hazy blue, and the overall atmosphere is peaceful and natural.

## MANSFIELD AND MT BULLER

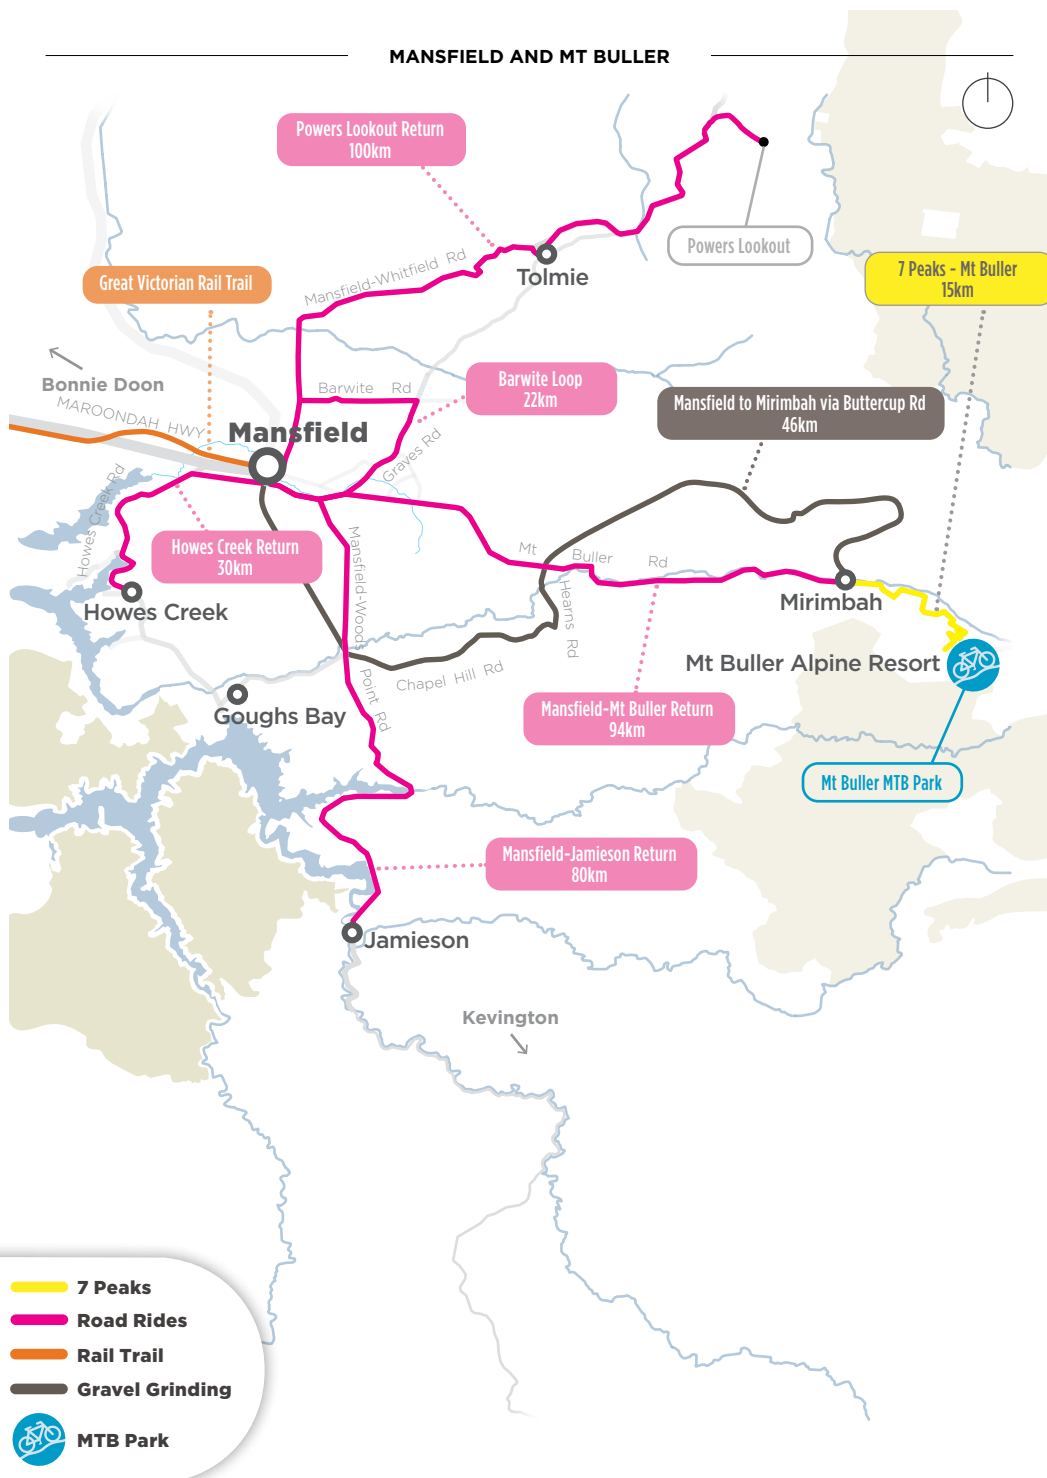

Just a short hop from Melbourne, Mansfield and Mt Buller are perfect places to get up close to beautiful natural spots and try new adventures, from the laid back and sedate to something at the adrenaline-pumping end of the scale.

The cycle offerings in this neck of the woods are legendary. But these are also fantastic places to ride a horse through beautiful bush trails, run a trail, take a hike, water ski on the lake or drop in a line.

On the mountain, and down below, there are plenty of great places to eat, drink and sleep. Mansfield has one of the best cafes in the High Country in the Coffee Merchant which not only roasts its own brews, but also serves up sensational breakfast, lunch and now dinner on weekends. Fill the daypacks or panniers at local favourite The Produce Store and for locally brewed ales and great pizza, Social Bandit is the place.

On the way to Buller, say “hi” to David Ritchie at Delatite Wines. Soak up the beautiful views from the vineyard and be guided through the list by the maker himself.

## HIGHLIGHTS

— **Mt Buller** — Conquer one of the 7 Peaks climbs. The climb from Mirimbah to Mt Buller is a test of endurance, covering 15kms with a challenging 921m of elevation. This climb is so iconic that it features in the Jayco Herald Sun Tour. Winding up through the beautiful bushland you will be enchanted by the towering trees and green foliage. The road gets steeper in the final few kilometers, push through because the views of Mt Stirling from the top are worth the effort.

— **Great Victorian Rail Trail** — The longest continuous rail trail in Victoria, winding from Tallarook all the way to Mansfield. Whether you are looking for a short ride with the family or a longer adventure, the Great Victorian Rail Trail is perfect for all. Ride over the Lake Eildon Bridge, through the 201m Cheviot Tunnel. Pack a picnic lunch and enjoy the ride!

— **World Class MTB** — Mt Buller has Australia's only International Mountain Bicycling Association (IMBA) endorsed Epic MTB Trail. Covering over 40kms, it includes an incredible variety of terrain from fast flow to some brutal climbing and insane views. It's a big single day out on the MTB, or pack some supplies and make it a two day trip with an overnight camp by one of the Alpine Huts along the way.

— **Powers Lookout** — There are some amazing rides in and around Mansfield, from short flat rides to some big days in the saddle with serious elevation. For a ride that is sure to challenge, head out on the 100km round trip to Powers Lookout from Mansfield. Featuring quiet country roads, a solid climb and some lumps all to get to beautiful views. You won't be disappointed.

## The Delatite Hotel - Accommodation

Stay in the heart of Mansfield, close to the rail trail. You'll enjoy a real guest house experience with big lounges, good coffee, a shady courtyard and space to work on your bikes. Lockable bike storage shed, good showers and range of rooms to suit any group. Online bookings, or call for groups.

95 High Street, MANSFIELD  
03 5775 2004 • [hoteldelatite@gmail.com](mailto:hoteldelatite@gmail.com)  
[thedelatitehotel.com.au](http://thedelatitehotel.com.au)

A scenic view of a bridge over a river. Several cyclists are riding across the bridge, and two people are kayaking on the river below. The background is filled with lush green trees and a blue sky with white clouds.

# MOUNT BEAUTY

Apart from its impressive cycling credentials, Mount Beauty is also the epicentre of all kinds of outdoorsy fun.

In winter it's a great off-mountain base for snow sports, but when it warms up, this is the place to jump on a horse, cast a fly in the beautiful Kiewa River, hike up Victoria's highest peak, Mount Bogong, walk the dramatic gorge and to swim at the popular pondage.

These days it's also a destination for foodies thanks to Emma Handley, a highly decorated chef who has transformed the old Masonic lodge into one of the best restaurants in the High Country. Sunday lunch at Templar Lodge is legendary.

While you're in the neighbourhood, don't miss the spectacular drive (no, make that cycle!) to Bright via the Tawonga Gap lookout for one of the most impressive vistas of the Australian Alps you'll ever see.

Detailed maps at [ridehighcountry.com.au](http://ridehighcountry.com.au)

## MOUNT BEAUTY

### HIGHLIGHTS

— **Tawonga Double** — If you prefer your time on skinny tires, Mount Beauty is also home to great road riding. Check out the 7 Peaks Falls Creek climb, the shorter Dams Road Loop or ride the Tawonga double, Mount Beauty to Bright return, testing your strength on both sides of Tawonga Gap. The 60km round trip features 1100m of elevation gain and you will be rewarded with stunning views across the Kiewa Valley.

— **New Gravity Enduro Trails** — Big Hill MTB Park has recently added to its already extensive trail network, with new Gravity Enduro trails. Situated on the side of the aptly named Big Hill, it was only a matter of time before passionate locals carved out these exciting new trails. In typical Big Hill style, these trails are old school cool with natural features and plenty of technical sections to test your skills.

— **Big Hill Big Fun** — Natural, raw and technical is how most mountain bikers would describe Big Hill MTB Park. Shunning the trend of overly manicured machine built trails here you will find the real deal, rock gardens, off camber sections and technical climbing. Cross country, downhill and gravity riding are all featured here as well as plenty of family friendly loops too.

## Valley View Lodge

View Lodge is the perfect place to stay and enjoy some of the best riding the area has to offer. The lodge has a licensed bar, in-ground pool and a large deck offering spectacular views of the Kiewa Valley. There's plenty of secure storage for bikes and wash bay and work station. Larger groups may wish to take advantage of the 25-seater bus.

9 Allamar Court, TAWONGA SOUTH  
0409 033 920 • [info@valleyviewlodge.com.au](mailto:info@valleyviewlodge.com.au)  
[valleyviewlodge.com.au](http://valleyviewlodge.com.au)

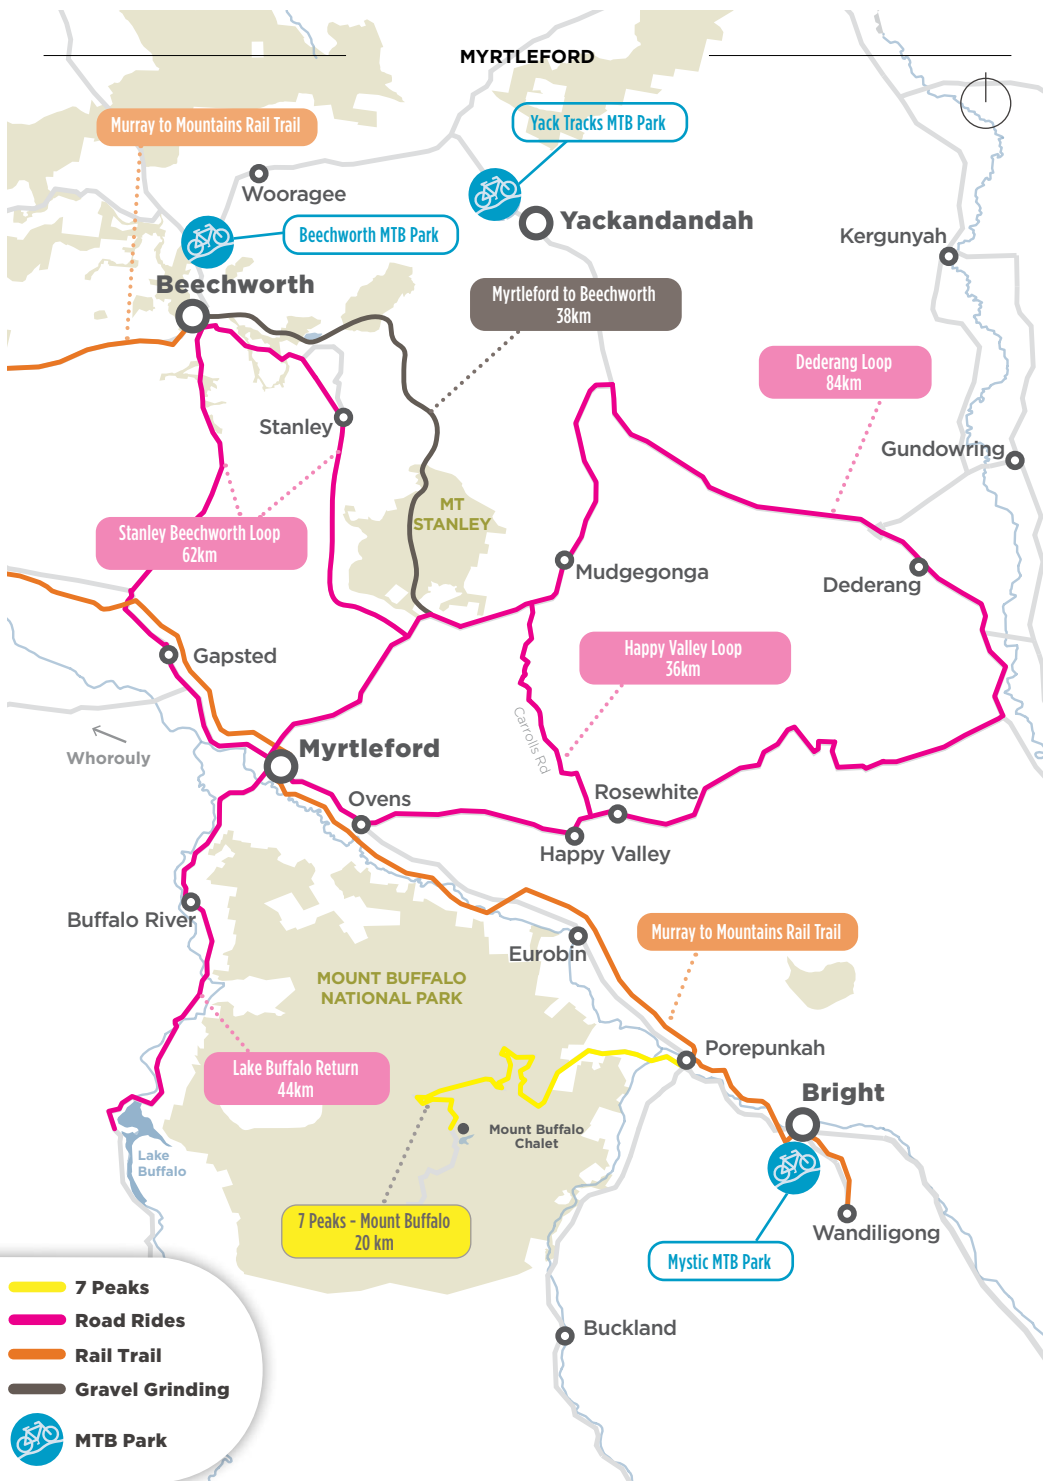

## MYRTLEFORD

This pretty town on the Ovens River, with its stonking views of Mount Buffalo, the Murray to Mountains Rail Trail and the forested surrounding hills of the Stanley Range is also known for its Italian flavour thanks to the immigrant families who made their home here in the post-war years.

There's a beautiful avenue of Lombardy poplars at the town's entrance, classical Roman busts at the cellar door at Michelini Wines and Italian names on many of the local cafes serving up delicious coffee, pizza, cakes and pasta. The fantastic annual festival, La Fiera, celebrates this Italian heritage each autumn.

Book a Rolling Gnocchi experience with the Myrtleford Cycle Centre, combining a rail trail tour with stops and tastings at local food and wine producers, followed by a cooking class and lunch with Roberto Parolin at Delizie Cafe Deli. Head to Lupo's Kiln Cafe for fresh handmade pastas and sauces and the Happy Valley Hotel at Ovens for outstanding counter meals. Gapsted Winery's lovely cellar door is worth a visit for lunch and tastings and back in town, Coffee Chakra roasts its own beans and also serves up a mean breakfast and lunch to hungry riders.

Detailed maps at [ridehighcountry.com.au](http://ridehighcountry.com.au)

## MYRTLEFORD

### HIGHLIGHTS

— **Rolling Gnocchi** — Work up an appetite with the Rolling Gnocchi Bicycle Tour from Myrtleford Cycle Centre. Start the day by learning the secrets of Italian pasta making and prepare your own gnocchi under the guidance of Roberto from Delizie Cafe Deli. While your pasta sauce simmers away, ride to local farm gates and wineries to pick up delicious treats to accompany your feast. The 10km ride along the Murray to Mountains Rail Trail will certainly delight as much as your handmade lunch that awaits!

— **Gravel Or Tar** — Choose your flavour and take on the lumpy route from Myrtleford to Beechworth, with the option of completely sealed roads or getting off the beaten track onto gravel roads. Plenty of climbing, beautiful views and a fast and fun descent... no matter which route you choose!

— **Rosewhite** — Experienced cyclists should ride the stunning Happy Valley Road from Ovens. Turn left onto Carrolls Road for incredible views of Mount Buffalo or alternatively continue over Rosewhite Gap, with a steady climb and a fast descent. Once you reach the Kiewa Valley, the choice is yours – turn right for the 110km Gaps Loop via Mount Beauty and Bright (p.44) or left for the Dederang Loop via Mudgegonga.

## Australian Pumpkin Seed Company

Our award-winning farm gate experience is one of the must-do attractions on the rail trail between Myrtleford and Bright. A bike friendly farm shop where you can taste the delicious flavours and learn how we grow, harvest and press our seeds and oils from the only growers of Australian pumpkin seeds. Stop in to try our famous chocolate-coated pumpkin seeds.

## RUTHERGLEN AND SURROUNDS

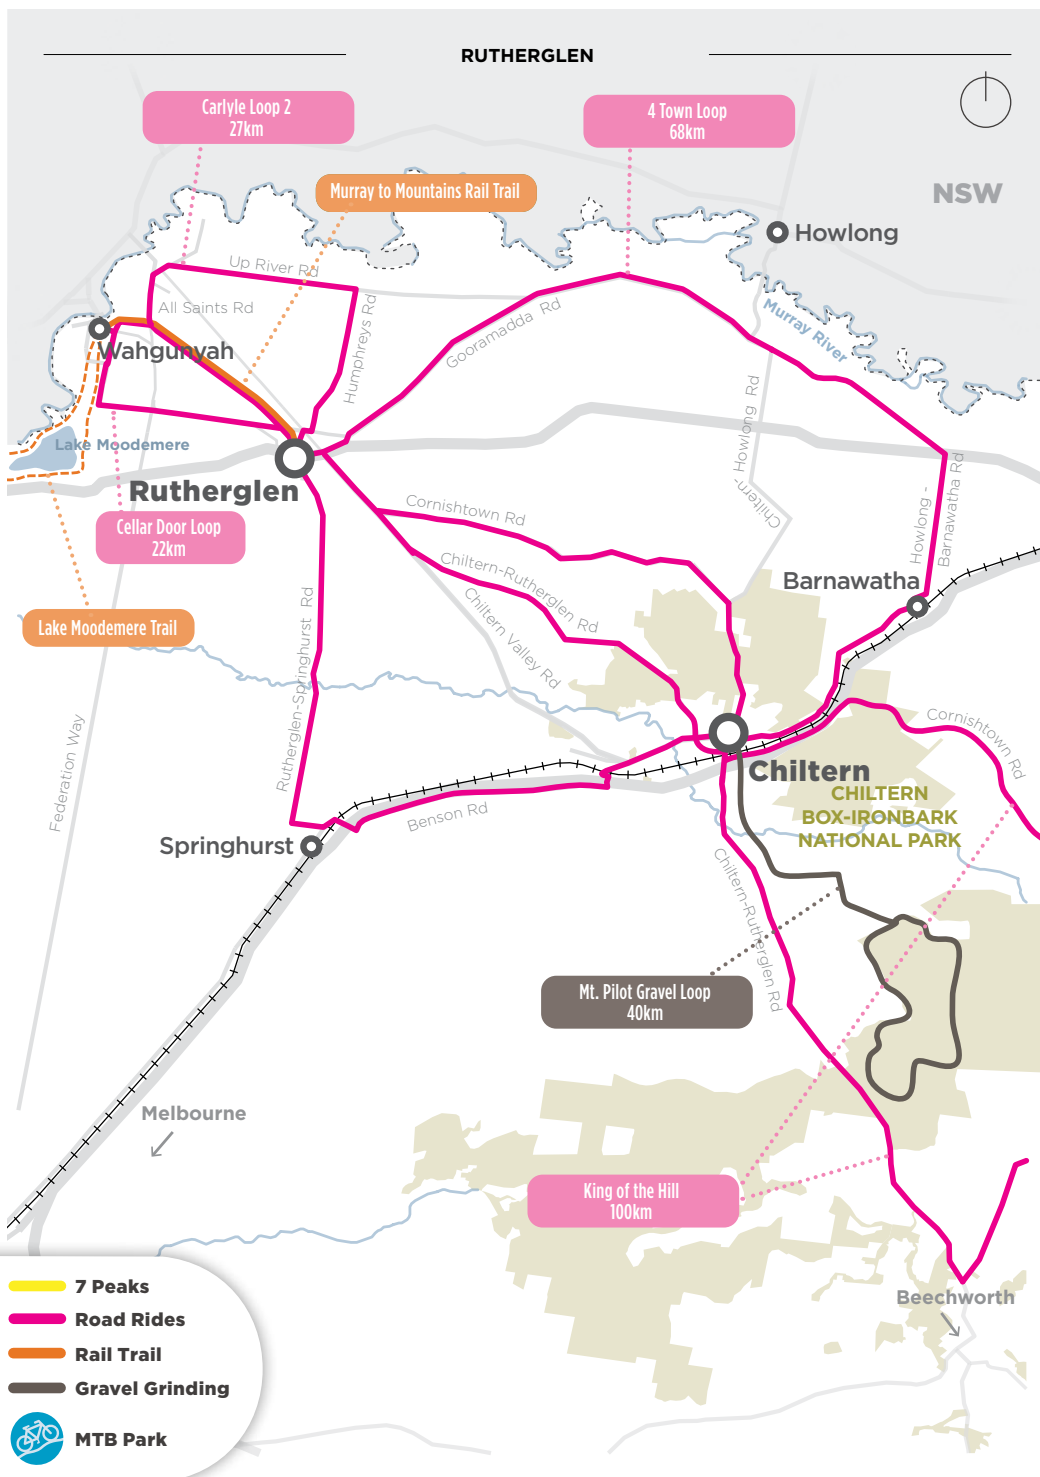

Rutherglen is a great place to explore on two wheels. One of Australia's oldest wine regions, it's famous for its big reds, internationally-renowned Muscats and the many cellar doors open for tastings.

It's also a place to dine on outstanding locally produced and grown ingredients. Head to The Terrace at All Saints for a memorable lunch or dinner at one of the High Country's two Chef's Hatted restaurants featuring the talents of gifted chef Simon Arkless.

There's also fine French influenced fare at Jones Winery to try, delicious modern Australian at Ripe at Buller Wines and estate-grown lamb is a highlight on the menu at Lake Moodemere Estate. Weekend hotspot, Thousand Pound is a buzzing bar serving up excellent food, and, for a real treat, splash out on a chauffeured Luxe Auto tour of the wineries in a vintage Rolls Royce Corniche.

Not far from Rutherglen is one of the last box ironbark forests in the country, home to several critically endangered birds, including the Regent Honeyeater. The little gem of Chiltern, with its perfectly preserved gold rush streetscapes, has plenty of collectables shops to pick up a souvenir of your stay.

Detailed maps at [ridehighcountry.com.au](http://ridehighcountry.com.au)

## RUTHERGLEN

### HIGHLIGHTS

— **The Iconic Wine Bottle** — Australia is famous for its “big” icons, and there is nothing more fitting for Rutherglen than a big bottle of wine; as the town is home to over 20 wineries. Take a short detour from the Murray to Mountains Rail Trail and enjoy the scenic view of the countryside and vineyards from its high vantage point.

— **Rutherglen To Wahgunyah** — The Murray to Mountains Rail Trail meanders from Rutherglen to the banks of the Murray River in Wahgunyah. The fully sealed, off road trail passes wineries and local farm gates. Pick up a Pedal to Produce map and stock your basket full of treats for a picnic by the river. Don't forget to pack your bathers in the summertime!

— **King Of The Hill** — Take on the challenging 100km King of the Hill loop. A gentle roll out makes way for the Mt Pilot climb, just as you thought the work was done the road kicks skywards again, taking you to the highest point. A beautiful descent is followed by rolling foothills before delivering you back to Rutherglen.

— **Tweed Ride** — Don your finest vintage fashion, including a little tweed, for the annual Tweed Ride in Rutherglen. The leisurely 15-25km ride (route varies annually) will take you on an adventure through the picturesque countryside where you will sample the best regional foods and local artisanal wines.

## All Saints Estate

Established in 1864, All Saints Estate is one of Australia's original wineries. Set amongst spectacular vineyard settings in Australia, the iconic estate is a must-see destination for wine and food lovers. Taste award-winning wines at the cellar door, enjoy a leisurely lunch at 'one hat' Terrace Restaurant or indulge in a cheese platter from Indigo Food Co.

## St Leonards Vineyard

Established in 1860 and a 5 star rated winery by Halliday Wine Companion, St Leonards Vineyard is a hideaway for wine and food lovers. Picturesque and relaxing, the winery makes for an unforgettable cellar door tasting experience. It is the perfect family lunch spot on weekends with a seasonal menu from the café and live music every first Saturday of the month.

201 St Leonards Road, WAHGUNYAH

## UPPER MURRAY

The High Country's northernmost corner offers spectacular views in every direction, waterfalls, lookouts, places to kayak, catch a fish, swim and pitch a tent by a rolling river.

The Great River Road follows the upper arm of the Murray for 153km, from Bellbridge on the shores of Lake Hume to Khancoban in the Snowy Mountains. This area has some amazing cycling with spectacular mountain and valley vistas and giant sculptures by Yackandandah artist, Ben Gilbert along the way.

Head to Corryong to get up close to *The Man from Snowy River* legend. Explore backroad loops following old Cobb & Co coach trails, visit one of Australia's biggest monoliths, Pine Mountain and be awestruck by the clever feat of engineering that built the towering Dartmouth Dam wall. On the High Country Rail Trail, don't miss Tallangatta, "the town that moved" in the 1950s when Old Tallangatta was flooded to make way for Lake Hume as part of the Snowy Mountains hydro scheme.

Detailed maps at [ridehighcountry.com.au](http://ridehighcountry.com.au)

## UPPER MURRAY

# HIGHLIGHTS

### Sandy Creek Bridge

Reconstructed in 2012, the 600m-long bridge was architecturally designed for cyclists and pedestrians. It connects the existing trail network as part of the High Country Rail Trail and allows plenty of different options to explore the region. Ride Tallangatta to Sandy Creek for a stunning 19km round trip.

— **Watch This Space** — Every self respecting mountain town needs a brewery and a mountain bike park! Now that the Mitta Mitta Brewing Co, part of the High Country Brewery Trail, has established itself, plans are being brewed (pun completely intended) for a new Mitta MTB trail network. (So new, in fact, that details are scarce – keep your eyes peeled for more information soon.)

— **Ride Quiet Country** — Do you dream of quiet roads and barely a soul in sight? There are endless road and gravel options around to appease anyone looking to escape the city. Check out the Lake Hume Loop, Eskdale, Mitta, Dartmouth and beyond to Thowgla on the road whilst those in search of gravel should look no further than the Mitta Valley side of Lockharts Gap or Bullhead Lane (Mitta). Make it past the Chihuahua at the farmyard gate and you'll be treated to an amazing stretch of gravel road normally only seen by local cows, dogs and farmers on their tractors. Be sure to whet your whistle at the Mitta Pub.

A photograph of three cyclists riding on a gravel path through a vineyard. The cyclist on the left is wearing a blue jersey and a blue bike. The cyclist in the middle is wearing a blue and white striped jersey. The cyclist on the right is wearing a blue and yellow jersey and a yellow bike. They are all wearing helmets and sunglasses. The background shows a vineyard, trees, and mountains under a cloudy sky.

## WANGARATTA AND KING VALLEY

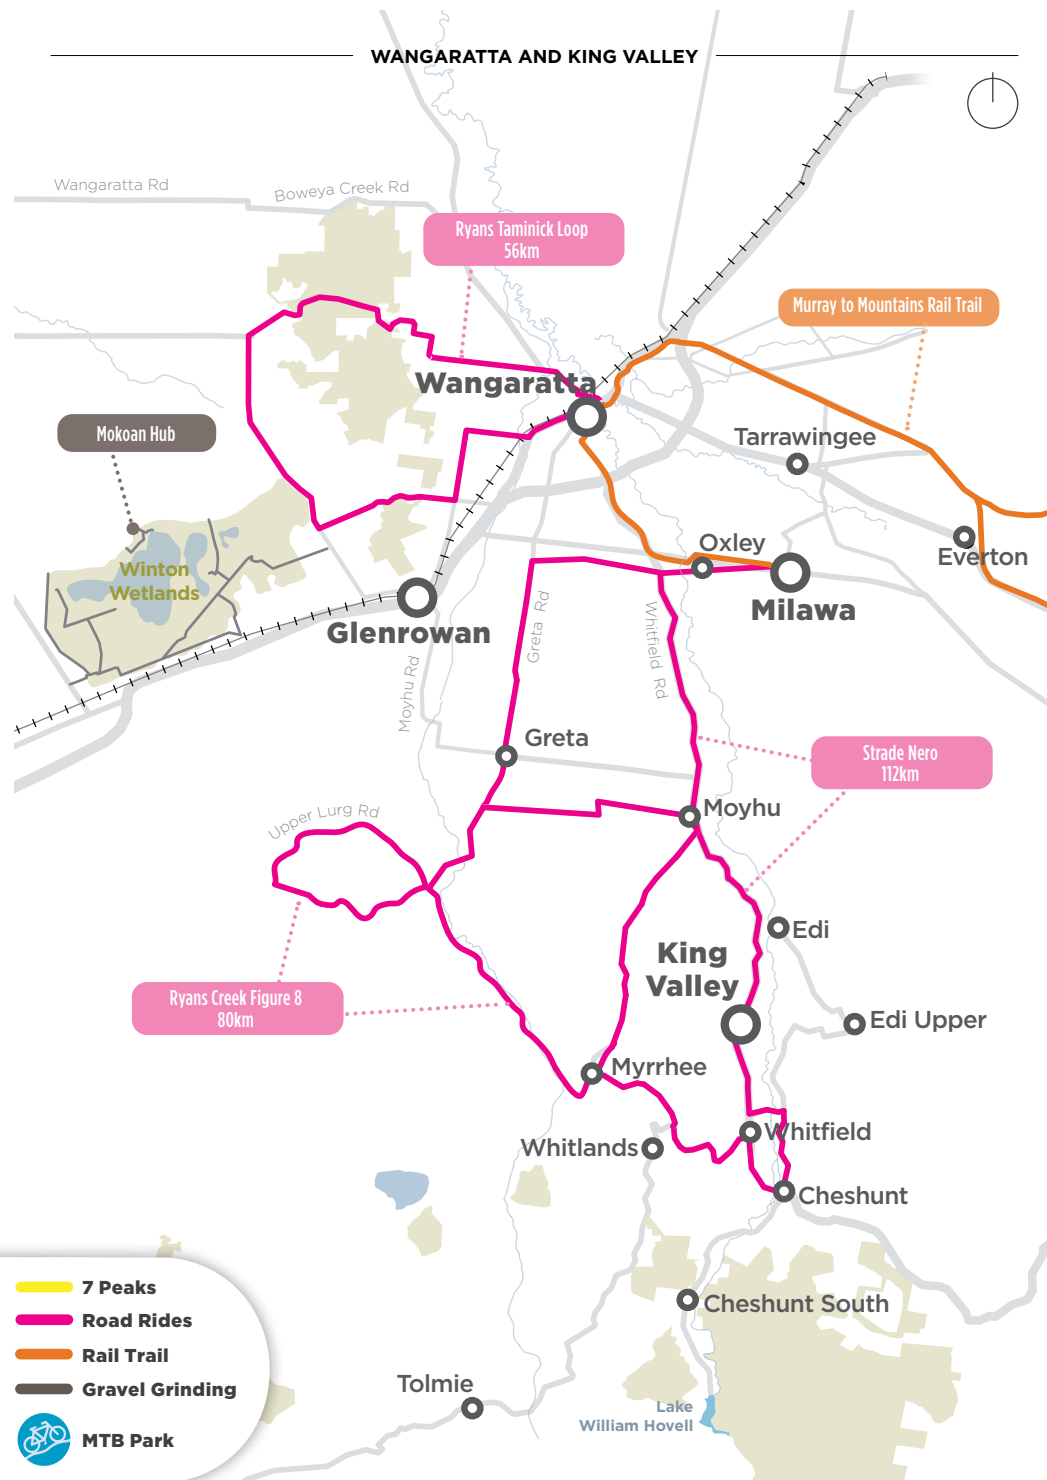

Wangaratta has produced some of Australia's best road cyclists including Olympic champions, Dean Woods and Damian McDonald plus Tour de France Green Jersey winner, Baden Cooke.

It's also the jumping off place for the High Country's iconic Murray to Mountains Rail Trail to Bright, and to the famous food and wine destinations, Milawa and the King Valley.

There's a self-guided Pedal to Produce tour of the gourmet offerings of Milawa and Oxley, including the excellent Sam Miranda Cellar Door and restaurant, the Milawa Cheese Factory, The Olive Shop - Milawa, Brown Brothers' lovely winery with its award-winning restaurant, Patricia's Table, as well Gamze Meat's Smokehouse Door. Fill the panniers with goodies from each stop along the way and head to the riverside for a lazy picnic in the shade of a giant gum.

Beyond is the beautiful King Valley to Whitfield and Cheshunt, home to Italian heritage winemakers famous for their Prosecco and Sangiovese varietals, as well as great cafes and restaurants and the not-to-be-missed King River Brewing, one of the High Country Brewery Trail's nine outstanding craft breweries.

## HIGHLIGHTS

— **Strade Nero** — A long day in the saddle, challenging climbs, fast descents, rolling roads and plenty of vitamin G (that's gravel in layman's terms). This 112km loop features almost 2000m of elevation and is not for the faint hearted. Expect spectacular scenery and mind blowing beauty all around. Cyclist Magazine featured this loop, rating it one of their favourites of all time so you know it's going to be sensational!

— **Switch It Up** — Change your riding experience without changing your bike. 'Wang' and the King Valley are chock full of gravel roads that you can tackle on your road bike with 25mm tyres. Head out on a classic loop like Ryan's Taminick but don't be afraid to take that turn onto one of the adjacent gravel roads. These are the roads you dreamt of riding, and probably drew as a kid.

— **Rail Trail** — The Murray to Mountains Rail Trail is the perfect way to discover the region by bike. There are two options to choose from as you head out from Wangaratta to explore - to Milawa or all the way to Bright. No matter which one you take, you will pass cellar doors, breweries and don't forget the region's beautiful cheeses. Grab the local Pedal to Produce map to plan your day out.

## BIG4 Wangaratta North Cedars Holiday Park

Big4 Wangaratta North Cedars Holiday park is a great central base with accommodation options for everyone, from grassy, pet friendly powered and en suite sites to standard cabins and deluxe cabins. Bring your bike along to take advantage of the rail trail, accessible right on the back doorstep to the park.

170 Bowser Road, NORTH WANGARATTA  
03 5721 5230 • [stay@northcedars.com.au](mailto:stay@northcedars.com.au)  
[northcedars.com.au](http://northcedars.com.au)

## Black Dog Brewery

A craft brewery located at Taminick Cellars winery, producing a range of beers from premium ingredients. From pale lagers, pale ales and darker brews, we are sure to have something to suit your taste. The Warby Ranges are perfect for MTB riding and we have trails starting right at our back gate. Call in pre- or post-ride to get inside trail knowledge.

0408 577 916 • [info@blackdogbrewery.com.au](mailto:info@blackdogbrewery.com.au)  
[blackdogbrewery.com.au](http://blackdogbrewery.com.au)

## Chrismont

A must-see of the King Valley and only a gentle 7.4km ride from Whitfield is Chrismont's impressive cellar door and restaurant with unparalleled views of the region. Taste an extensive collection of European and Mediterranean varietal wines, enjoy Italian fare over a quick bite or leisurely lunch, or book a stay in the luxurious guesthouse amongst the vines.

251 Upper King River Road, CHESHUNT  
03 5729 8220 • [info@chrismont.com.au](mailto:info@chrismont.com.au)  
[chrismont.com.au](http://chrismont.com.au)

## Dal Zotto Wines

The Dal Zotto family have been pioneering Prosecco in Australia since 1999. Their Cellar Door and Trattoria is the perfect place to experience this delicious range... join them in the heart of the King Valley for a tasting, lunch and even hire an e-bike to explore on. Winner of the 2020 Halliday Wine Companion 'Dark Horse' Winery of the Year.

4861 Wangaratta-Whitfield Road, WHITFIELD  
03 5729 8321 • [info@dalzotto.com.au](mailto:info@dalzotto.com.au)  
[dalzotto.com.au](http://dalzotto.com.au)

## Lancemore Milawa

Located in the heart of the gourmet region is Lancemore Milawa, a tranquil country house hotel brimming with elegance and style - the perfect base to experience a rich bounty of world-class food and wine, Australian history and breathtaking scenery.

223 Milawa-Bobinawarrah Road, MILAWA  
03 5720 5777 • [milawa@lancemore.com.au](mailto:milawa@lancemore.com.au)  
[lancemore.com.au](http://lancemore.com.au)

## Mountain View Hotel

Come dine with us! The Italian-inspired menu is available seven days for lunch and dinner. You can dine inside or alfresco in the stunning beer garden. Bookings are not essential but are advised. Join us and enjoy local King Valley wines, Prosecco cocktails, local beers and cider with your friends and family. Stylish motel accommodation is also available.

4 King Valley Road, WHITFIELD  
03 5729 8270 • [info@mvhotel.com.au](mailto:info@mvhotel.com.au)  
[mvhotel.com.au](http://mvhotel.com.au)

## Pizzini Wines

The welcome is Italian-style and generous. Visit us to taste Prosecco, Pinot Grigio, Sangiovese and Nebbiolo. A *tavola!* cooking school is part of the family's cellar door and immersive wine experiences and wine and food events are also offered. Relax in the garden with a glass of wine or chat over a coffee with friends. Children are welcome too.

175 King Valley Road, WHITFIELD  
03 5729 8278 • [talkdirect@pizzini.com.au](mailto:talkdirect@pizzini.com.au)  
[pizzini.com.au](http://pizzini.com.au)

## Rock and Road Cycles

Bike hire, package tours, suggested itineraries and transfers along the Murray to Mountains Rail Trail and surrounding areas. On-the-spot repairs are available and they have an extensive range of parts and accessories. Stocking Giant and Trek bikes as well as e-bikes, Rock and Road Cycles are able to cater for all of your cycling needs.

21 Rowan Street, WANGARATTA  
03 5721 4744 • [rob@rockandroadcycles.com.au](mailto:rob@rockandroadcycles.com.au)  
[rockandroadcycles.com.au](http://rockandroadcycles.com.au)

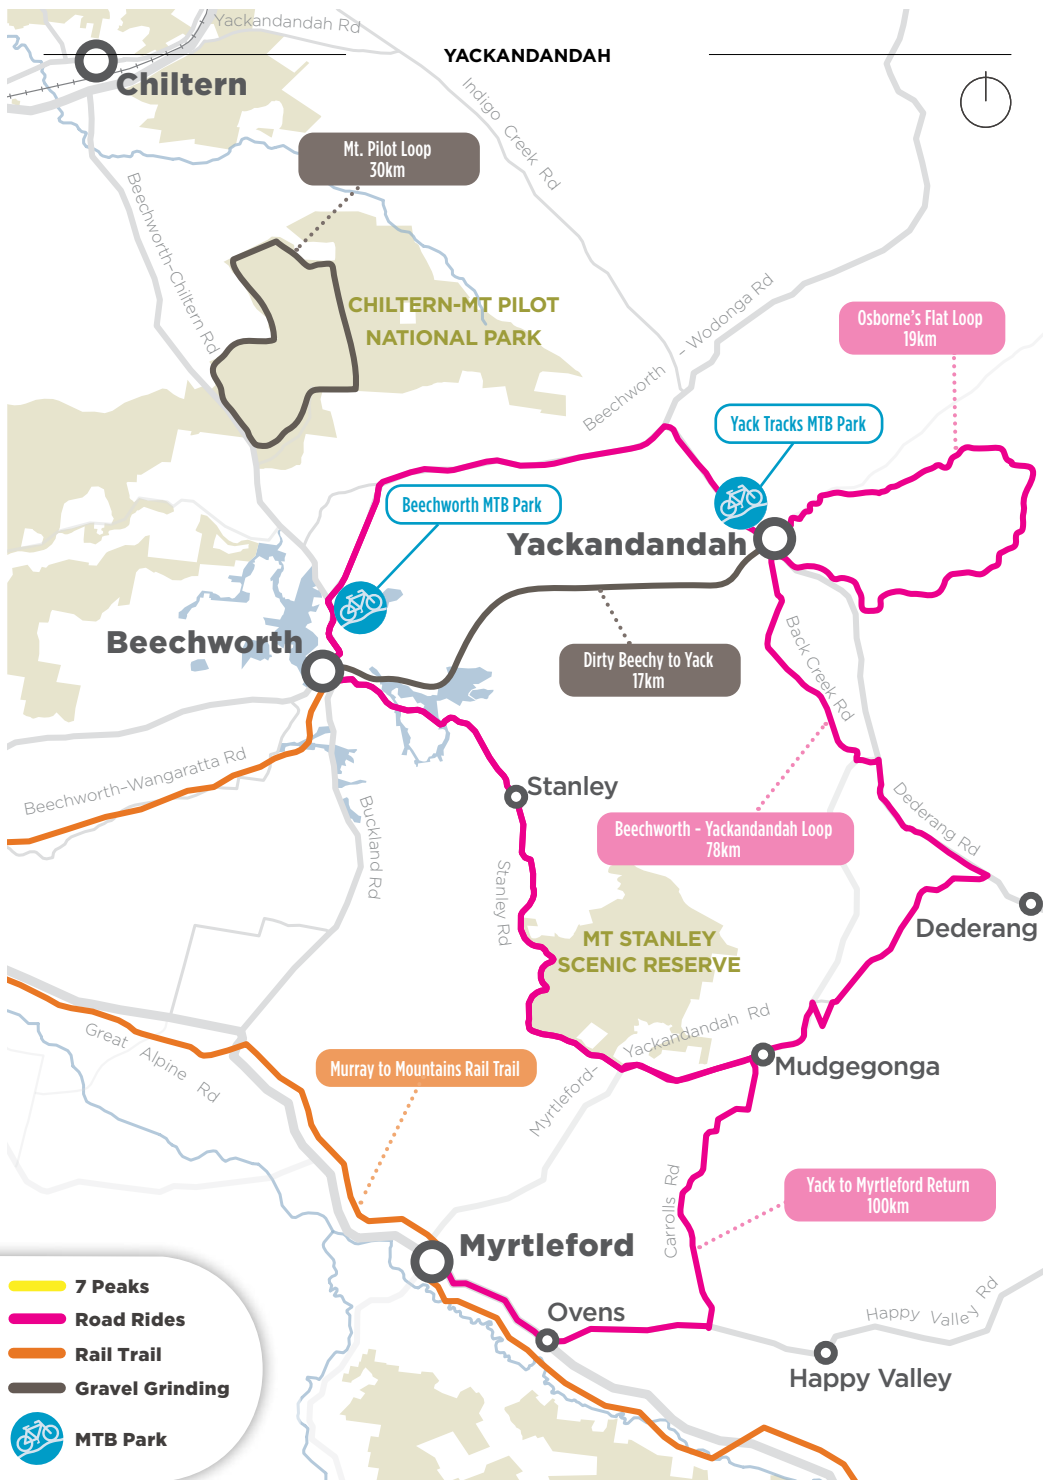

## YACKANDANDAH

Tucked away between Beechworth and the Kiewa Valley, this perfect little nugget of a town with its totally intact gold rush streetscapes is also a great base to take off on some memorable, scenic rides.

Don't miss tucking into a pie from local institution, Gum Tree Pies or a locally brewed Two Pot beer at the Star Hotel, one of the best and friendliest country pubs in the High Country and the hub for Yack's regular Wednesday night muso jam, a great warmup for the sensational Yack Folk Festival each March.

The shops on Main Street are great for hunting out old treasures or picking up some local art. There are some easily accessed walks along the once gold-rich creeks to stretch the legs.

Detailed maps at [ridehighcountry.com.au](http://ridehighcountry.com.au)

## YACKANDANDAH

### HIGHLIGHTS

— **MTB XC Paradise** — Unashamedly raw and natural, mountain biking in Yackandandah is a cross country rider's dream. The crew of keen locals who have built the trails used the stunning natural features of Stanley State Forest and remnants of old gold mining to create something truly special. There are plenty of tough climbs, but you will be rewarded with plenty of sweet flow too!

— **Beechworth - Yackandandah Loop** — The challenging Big Ride, as it's known by the locals, takes in 78kms of scenic roads and 1000m plus of climbing looping around Yackandandah, Mudgegonga and Beechworth. Including the impressive 10km climb up to Stanley plus plenty of smaller climbs and lumpy roads in between. What goes up, must come down, so get ready for some fun and fast descending.

— **Yack And Back** — Or is that Beechy and back? Regardless, with so many backroads between the two towns of Beechworth and Yackandandah, your options for a day loop through the native forest and pine plantations are almost endless. Start at either town and plot a route that matches your endurance and bike. But beware, some of the climbs really pack a punch!

- Carefully plan your route and carry a road map or trail guide if possible.
- Swooping magpies in early spring can be a problem; ask a local when and where nesting areas occur.

- Wear padded shorts if you have them, it will make your ride much more enjoyable.
- Know your limits, don't overdo it and always ride well within your comfort zone.
- Take your mobile phone with you.
